## LEO Pharma pipeline overview 2022 Q1

Description	Partners	Pre-clinical	Phase 1	Phase 2	Phase 3	Registration
A topical pan-JAK inhibitor under development for chronic hand eczema.	JT		<b>&gt;</b>	<b>&gt;</b>	<b>Y</b> ///////	
A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.	JT		<b>&gt;</b>	<b>Y</b> ///////		
A monoclonal antibody under development for atopic dermatitis.	ONENESS BIO  MICROBIO		<b>&gt;</b>	<b>Y</b> ///////		
A monoclonal antibody under development for allergic asthma.	ONENESS BIO  MICROBIO		>	<b>Y</b> ///////		
An anti-inflammatory monoclonal antibody under development for atopic dermatitis.	argenx		<b>&gt;</b>	<b>X</b> ////////		
A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.	jw		>	<b>Y</b> ///////		
A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.	,w		<b>&gt;</b>	<b>Y</b> ////////		
An IL-17 small-molecule modulator under development for psoriasis.						
	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for allergic asthma.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development	A topical pan-JAK inhibitor under development for chronic hand eczema.  A topical pan-JAK inhibitor under development for frontal fibrosing alopecia.  A monoclonal antibody under development for atopic dermatitis.  A monoclonal antibody under development for allergic asthma.  A monoclonal antibody under development for allergic asthma.  An anti-inflammatory monoclonal antibody under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for atopic dermatitis.  A systemic anti-pruritic and anti-inflammatory H4 receptor antagonist under development for cholinergic urticaria.  An IL-17 small-molecule modulator under development
