

WITH THE SPEVIGO PATIENT SUPPORT PROGRAM, YOU ARE NOT ALONE

Meet the members of your SPEVIGO Patient Support Program care team.

HELP IS HERE

The SPEVIGO Patient Support Program is a complimentary personalized patient support program for people prescribed SPEVIGO and their caregivers.

MEET YOUR SPEVIGO PATIENT SUPPORT PROGRAM CARE TEAM

The **SPEVIGO Patient Support Program** pairs you with a range of services and support—including a dedicated **Patient Navigator** and a **Clinical Nurse Educator**. Your Patient Navigator can also help connect you with the **Specialty Pharmacy**.

CONNECTING CAN MAKE A DIFFERENCE

Getting to know your support team—as well as what each one of them does—can help you understand what to expect and how they can assist you throughout your SPEVIGO journey.

Please note: Your Patient Navigator and Clinical Nurse Educator cannot provide medical treatment or advice. If you have specific questions or concerns about your treatment, please speak to your healthcare provider.

Are you enrolled in the SPEVIGO Patient Support Program?

If you have not already enrolled, [click here](#) to enroll online, or call **1-833-SPEVIGO (1-833-773-8446)**, Monday-Friday, 8AM-8PM ET, to learn more about the program.

GET TO KNOW YOUR SPEVIGO PATIENT SUPPORT PROGRAM CARE TEAM

YOUR PATIENT NAVIGATOR

Within 24 hours of signing up, you will receive a welcome call from a dedicated **Patient Navigator**, your primary point of contact for the SPEVIGO Patient Support Program. Your Patient Navigator is available to support you throughout your treatment journey with SPEVIGO® (spesolimab-sbzo) injection.

Your Patient Navigator can:

- Review insurance coverage and provide information on resources you may be eligible for to help with out-of-pocket costs
- Provide information and resources about your disease
- Support and empower you to take an active role in your treatment with SPEVIGO

YOUR CLINICAL NURSE EDUCATOR

Your Patient Navigator can also connect you with a **Clinical Nurse Educator**. Clinical Nurse Educators are not doctors and cannot provide medical treatment or advice.

Your Clinical Nurse Educator can:

- Provide education about your disease, how SPEVIGO works, how it is administered, and what to expect on treatment
- Work with you to determine what sort of educational support you may need, including supplemental injection education
- Offer personalized sessions, based on your preferences

THE SPECIALTY PHARMACY

You may also be contacted by the **Specialty Pharmacy**. The Specialty Pharmacy fills prescriptions for specialty medicines (like SPEVIGO) not typically available at your local pharmacy.

The Specialty Pharmacy can:

- Coordinate the delivery of your prescription medicine
- Process prescription claims and copay information
- Manage refills

Soon, you may be receiving calls from each.

- Be on the lookout for phone calls from the SPEVIGO Patient Support Program and/or phone numbers you may not recognize.
- Phone numbers may appear as “blocked” or “unknown.” It is important that you answer the call or return it, or your SPEVIGO delivery may be delayed.
- You may also receive emails from the SPEVIGO Patient Support Program that may contain important SPEVIGO Copay Program* information that you will need to access your benefits.
